

## Payment and Payment Options

**Payment & Payment Plan Options: Note ALL PAYEMENTS VIA PAY PAL\* FRIENDS & FAMILY**

**Our PayPal account email address to make the payments is:**

[KemeticSerpentPower@gmail.com](mailto:KemeticSerpentPower@gmail.com)

**Greetings, Please note that ALL PAYMENTS must be made directly to our Pay Pal account using ONLY THE FRIENDS AND FAMILY option. We are a Spiritual Family, mystically connected to the Divine. So this is very much in line with Ma'at (righteous action)!**

**Other payment options may incur fees for which we will not be responsible; they will be added back to your balance.** Because we have striven to keep the price of this very dynamic spiritual immersion KMT pilgrimage very low, offering 3 aspects that for many other trips they only have one of these aspects, our budget is very tight. So we do need your diligence with your payments, to be sure they go through in the **FRIENDS & FAMILY PAY PAL OPTION**.

### **Pay Pal Tips To Avoid Common Errors Which May Incur Fees**

**Firstly, you must send payments via the "FRIENDS AND FAMILY" option** as we are unable to absorb any fees from the payment process due to our already tight budget. If you choose to send via other options you will be responsible for the fee to do so.

**Secondly, to avoid fees, you have to attach your bank account to your pay-pal account.** If you have a credit or debit card or PayPal credit attached as your default, you will be charged a fee, even if you choose friends and family. In other words, the fees are charged based on how you pay. See below from the PayPal website:

**Thirdly, be mindful that the PayPal interface has changed on the phone app and computer browser, the default now is to send via "goods and services" option so you have to manually CHANGE the option to "FRIENDS and FAMILY".** **Important Note About Paying By Pay Pal App On Your Phone:** In our communication with Pay Pal, they stressed that when paying on the phone app for Pay Pal and depending on the interface with your particular phone brand, the FRIENDS AND FAMILY option pops up at the bottom of the screen, and you may have to select that again before putting the payment through. They cautioned this extra pop up at the bottom is easily missed. If missed, then the payment automatically goes in as goods and services, and will incur a fee.
